

**General Instructions:**

Please report at Aarthi Scans, between 7.30 to 10.00 am with prior appointment

Please come on an empty stomach with overnight fasting of 10 to 12 hours.

Kindly bring your morning sample of urine and stool (Sterilized containers can be collected a day in advance from any of our branches).

In case you are taking any medication, please bring your prescriptions/ medication along with you.

If you are Diabetic or a Cardiac Patient, Please inform the Reception.

You may be required to change clothes frequently while undergoing various tests, you will feel more comfortable in casual clothes and footwear

Pregnant ladies or those suspecting pregnancy should not undergo X - Ray, Mammography, Bone Densitometry or Treadmill test

**For Ladies :**

If you are menstruating on the scheduled day of your appointment, Kindly inform the nurse on arrival, since you will not be able to do your Urine, Stool and Pap Smear tests as the presence of blood would produce in accurate results.
